# Two Weeks

## Ellie Lawson

Save up all the days
A routine malaise
Just like yesterday
I told you I would stay
Would you always
Maybe sometimes
Make it easy?
Take your time
Think of all the ways
Momentary phase
Just like yesterday
I told you I would stay
Every time you try
Quarter half the mile

Just like yesterday
I told you I would stay
Would you always
Maybe sometimes
Make it easy?
Take your time
Would you always
Maybe sometimes
Make it easy?
Take your time
Always, sometimes
Easy, time
