

# Gone So Long

## Blues Pills

You been gone so long  
And the truth been hanging on  
Ruthless lies our bleeding words  
You're surprised it's over Oh tomorrow the shame remains  
Tomorrow I'll bear the pain  
Only the gods keep the secrets untold  
Time flew by, today we're old Worthless fights, a living hell  
Vicious thoughts kept feeding the flame On this night I'll carry you home  
On this night I'll pull you in Oh when that hollow note  
Reach the end of its tone  
Pulls me from the deep  
Oh it's a heavy load  
Walking down this road  
You got the worst of me  
This time tomorrow  
See what tomorrow will bring  
Again You been gone so long  
And the truth been hanging on  
On this night I'll carry you home  
On this night I'll pull you in Help me I cannot bear how this sorrow sings  
Save me from the empty madness my sorrow brings Oh when that hollow note  
Reach the end of its tone  
Pulls me from the deep  
Oh it's a heavy load  
Walking down this road  
You got the worst of me  
This time tomorrow  
See what tomorrow will bring  
Oh tomorrow  
See what tomorrow will bring  
Again
