All Alone

Jimi Blue

Im all alone wait by the phone
Theres no time for me
Oh no noSo here I am starring at the wall
I cant believe that youre really gone
My girlfriend, my only, my homie
Since you left Im feeling cold and lonelyI reminisce all the good times we had
Me and myself empty and sad
What shall I do now? give me a sign
Im praying to god please reverse timeI miss you so much my girl
The world is not the same - alone by myselfIm all alone wait by the phone
Theres no time for me
Im all alone wait by the phone
Theres no time for me (oh no no)I never forget will always remember
And still celebrate your birthday in November
I wrote this song, just for you my girl
You stay in my heart till the end of the world
Wherever you are, I hope you have a good time
I know you can see me, writin these rhymes
But Im all alone wait by the phone
Wishing on a star for you to come homeI miss you so much my girl
The world is not the same - alone by myselfIm all alone wait by the phone
Theres no time for me
Im all alone wait by the phone
Theres no time for me (oh no no)Maybe I wake up and it was all a dream
Maybe in life nothing is what it seems
Maybe .its just the way it goes
Maybe you can go as quick as the wind blowsMaybe youre an angel and already in heaven
Maybe the answers are hidden in the questions
Maybe but one thing is true
No matter what I do I wont forget youIm all alone wait by the phone
Theres no time for me
Im all alone, Im all alone wait by the phone
Theres no time for meIm all alone, Im all alone
Oh no no
Theres no time for me
Oh no noIm all alone, Im all alone (yeah oh)
Theres no time, no time for me
