

Up in Flames

[Coldplay](#)

So it's over,
This time I know it's gone
Salt water tasted it too long
I only know I'm wrong
Now I know it's goneUp in flames, up in flames
Up in flames we have slowly goneSo it's over,
This time you're flying on
This time I know no song
Can stop it slowly burn
Can stop it slowly goneUp in flames, up in flames
Up in flames we have slowly gone
