

# Key of Foundation

## Professor B and the Army of Love

Next stop on the train there's a place called Love  
Where there's alot of devotion  
Next stop on the train there's a place called Love  
It's the key of foundation  
Next stop on the train there's a place called Love  
It's a wonderful emotion  
Next stop on the train there's a place called Love  
That's the message from above
