Boomin' In Your Jeep

Crystal Fighters

Ohoh-ohoh-ohoh-ohoh-ohohohohoh
We did it we did it
Ohoh-ohoh-ohoh-ohoh-ohohohohoh
We did it we did itTake your guard down, come into my card house
Race the car down, all the way to San JosÃ©, with you baby
For you I throw my heart out, catching all your stardust
Feel the fallout coming but it's all OK
With you baby
(We did it we did it)
'Cause we found something so let's drive it 'til we get to the centre
To the deep, foot on the pedal, we don't sleep
Feels like fireworks when you vibe with me all night to the music
To the beat, we turn it up
And we're booming in your booming in your jeep
(One love)
We're booming in your booming in your jeep
(One love)
And we're booming in your booming in your jeepAll night to the sunrise, to the sunshine
We're booming in your booming in your jeep
All night to the sunrise, with the good times...
Who can blame us, balling like we're famous
Wake the neighbours booming with you night and day
Living loud always
And we don't need no labels
They cannot contain us
Bass so contagious all
We gotta do is sway
Take a hit and press play
(We did it we did it)Feels like earthquakes with those 808's all up in the music
In the beat
So turn it up
And we're booming in your booming in your Jeep
(One love)
We're booming in your booming in your jeep
(One love)
And we're booming in your booming in your jeepAll night to the sunrise, to the sunshine
We're booming in your booming in your jeep
All night to the sunrise, with the good times...Jeep ready, bags stashing, subs burning, beat banging
Jeep ready, black magic, subs burning, beat banging...

Jeep ready, bags stashing, subs burning, beat banging
Jeep ready, black magic, subs burning, beat banging...Bathed in starlight sipping on that moonshine
Feels just so right rolling and we get no sleep
With the bass so deepAnd we're booming in your booming in your Jeep
(Hear that moonshine)
We're booming in your booming in your jeep
(all night, one love)
And we're booming in your booming in your jeepAll night to the sunrise, to the sunshine
We're booming in your booming in your jeep
All night to the sunrise, with the good times...
And we're booming in your booming in your jeepJeep ready, bags stashing, subs burning,
Beat banging (booming in your booming in your jeep)
Jeep ready, black magic, subs burning,
(And we're booming in your booming in your jeep)
