

Won't You Stay

Chris Hordijk

Oh oh
Oh oh oh
Oh oh yeah
I'm rising I'm falling
I' running for you
Oh oh
I am breathing I am dying I am crying I am smiling
All for you
Oh oh
And I can give you many reason if you just hear me now
And let me speak my mind
Oh oh yeah
Why don't you stay another moment?
Don't say you have gotta go
And you know I need you so
So baby stay until the morning
Don't leave me without a warning
You know I need you so
Won't you stay
And don't let go
Oh oh
Oh oh oh
Oh oh yeah
I am hoping I am praying
I am longing I am waiting all for you
Oh oh

You are hesitating you can't see what i see
I don't know what to do
Oh oh
Cause I can give you many reason
You just hear me now and let me speak my mind
Why don't you stay another moment?
Don't say you have gotta go
And you know I need you so
So baby stay until the morning
Don't leave me without a warning
You know I need you so
Won't you stay

And don't let go
You are standing with a jacket by the door now
You are leaving but I can't find the reason why
Come on back inside come back inside
Wish I could show you how
Why don't you stay another moment?
Don't say you have gotta go
And you know I need you so
So baby stay until the morning
Don't leave me without a warning
You know I need you so
Won't you stay
And don't let go
Oh oh
Oh oh oh
Oh oh yeah
