

Revival

Soulfire Revolution

We watch, we pray
We're here to seek your face
We know you're close
Let your presence fill this place

The world is a desert dry and thirsty
Your love is the answer full of mercy
Give us your eyes to see the hurting
Bring us back to life

Revival
Hearts on fire
Holy spirit rain down
Change us from the inside
Singing
Oh eh oh oh

Shine your light
Bring healing to the blind
You break the chains
Let your glory fill the sky

The world is a desert dry and thirsty
Your love is the answer full of mercy
Give us your eyes to see the hurting
Bring us back to life

Revival
Hearts on fire
Holy spirit rain down
Change us from the inside
Singing
Oh eh oh oh

Revival
Hands up higher
Holy spirit rain down
Change us from the inside
Singing
Oh eh oh oh

We need revival

Send revival fire

Send revival fire

Fill this place
