

5-0

X-Cops

Some may call me pig, but you may call me 5-0
Very few have the nerve
to protect and to serve

Fighting crime

Everyday I put my life on the line
Some may call me pig, but you may call me 5-0
But this job takes its toll

And it's hard to keep control
and sometimes I find myself just beating
the fucking shit out of you for no reason at all
