

# The Ballad Of Big Poppa and Diamond Girl

## Cobra Starship

Senorita, I can't forget your eyes  
Your hair, your Spanish ass  
I don't care what you tell the other guys  
Hear me out, I'll do what you say Just say what you want, say what you mean  
Girl all I need is for you  
To be the one that I believe  
Can I believe you? Say what you want, say what you mean  
Girl all I need is for you  
To be the one  
Don't lie Diamond girl  
I wanna wrap you around the world  
I'll never let you touch the ground  
I'll be your Biggie, you'll be my Lil' Kim Inquitita, mira que yo quiero decirte  
Lo que no sabes  
Y vos, solamente contame la verdad  
Vas a ver que yo te la guardo Say what you want, say what you mean  
Girl all I need is for you  
To be the one that I believe  
Can I believe you? Say what you want, say what you mean  
Girl all I need is for you  
To be the one  
Don't lie Diamond girl  
I wanna wrap you around the world  
I'll never let you touch the ground  
I'll be your Biggie, you'll be my Lil' Kim Say what you mean  
Say what you want  
Say what you mean  
Say what you want Diamond girl  
I wanna wrap you around the world  
I'll never let you touch the ground  
I'll be your Biggie, you'll be my Lil' Kim Diamond girl  
I wanna wrap you around the world  
I'll never let you touch the ground  
I'll be your Biggie, you'll be my Lil' Kim
