Chiron

All That Remains

Have not the strongest
and closest ties been bound so long
I've called upon them
they remind me where I'm from
With deep conviction
I am connected cross the miles
with out them nothing worth relying onIt's been so long since I could say
I've needed anything stronger
We can't give up when we have ties that bind us
if I rely and I know the strength
in those who taught me of the
power in the ties that bindwhen I turn inward
and look for strength within my self
and demonstrations of courage
are the result
if inspiration is wholly shared
then more is the gain
then I will follow
the selfless actions displayedIt's been so long since I could say
I've needed anything stronger
We can't give up when we have ties that bind us
if I rely and I know the strength
in those who taught me of the
power in the ties that bindwe are made powerful(we are made powerful)It's been so long since I could say
I've needed anything stronger
We can't give up when we have ties that bind us
if I rely and I know the strength
in those who taught me of the
power in the ties that bindwe are made powerful(we are made powerful)
we are made powerful(we are made powerful)
