

Golden Earrings

Bobby Darin

There's a story the Gypsies know is true
That when your love wears golden earrings
She belongs to you An old love story that's known to very few
But if you wear these golden earrings
Love will come to you By the burning fire they will glow with every coal
You will hear desire whisper low in your soul So be my Gypsy
Make love your guiding light
And let this pair of golden earrings cast their spell tonight By the burning fire they will glow with every coal
You will hear desire whisper low inside your soul So be my Gypsy
Make love your guiding light
And let this pair of golden earrings cast their spell tonight Let this pair golden earrings do their work tonight
Yes, let this pair golden earrings cast their spell tonight
