Drifter

Siouxsie and the Banshees

Drifter sleepwalk, drifter sleep talk
Awake to who is following
Moving like water, moving drifting on the wind
A drifter coming inThen I dreamt that I awoke
And all around was asleep
With eyes in the back of my head
Awake to who is followingDrifter coming in
Never touching down, never leaving ground
A twilight world in which we roam
Still we don't belong, drift onAt daybreak, we walk
At daybreak, we talk
Ready to tear up the world
