Ripple In The Water

Pat Monahan

I'm not so sure where we're going
Can you tell me how to get there?
And have you been there before?I'm not so sure what you want
But you can find me out there somewhere
Stuck in some revolving doorI don't need to be rich
I don't need to be wise
But I want to be more than just
A ripple in the waterI don't need to be anything
Except in your eyes
'Cause I want to be more than just
A ripple in the waterThere's so many beautiful people
In unusual ways
Sometimes I feel so intimidatedSo if you know where you want me
Then tell me how to get there
Across the river we've created, yeah, yeahI don't need to be famous
I don't need to be king
But I want to be more than just a
A ripple in the waterI don't need to be first
I don't need to be your everything
But I want to be more than just
A ripple in the waterI don't need to make the sunset
I don't need to make it rise
But I want to be more than just
A ripple in the waterI don't need to be beautiful
Except in your eyes
'Cause I want to be moreIf you want it, oh then tell me
Come and get it
I don't know where it is but I'm right hereOh, I want you and I want to come and get you
I don't know where you are
Are you out there?If you want it, oh then tell me that you need it
I don't know where it is or what it is
Or why it isOh, if you want it
Here I am
So come and get me, yeah, yeahI don't need to be strong
I don't need to be invincible
But I want to be more than just
A ripple in the waterI don't want to be anything
Like my old vice principal
But I want to be more than just

A ripple in the waterI don't need to be rich
I don't need to be wise
But I want to be more than just
A ripple in the waterI don't need to be anything
Except in your eyes
'Cause I want to be more than just
A ripple in the water
