

In the Name of Love

Roberta Flack

People try to create feelins just the same as love
In the name of love, in the name of love
For the sake of silly passion make a game of love
In the name of love, in the name of love Jumpin up and down on your emotions
Just another way to break your heart
And it really makes you wonder what became of love
In the name of love They make all the sacrifices for the sake of love
What they make of love, is old heartbreak of love
When there ain't no givin in the give and take of love
Put the blame on love, in the name of love Jumpin up and down on your emotions
Just another way to break your heart
And there really ain't no feelin quite the same as love
Not in the name of love People try to create feelins just the same as love
In the name of love, in the name of love
For the sake of foolish passion make a game of love
In the name of love, in the name of love Jumpin up and down on your emotions
There's a better way to win my heart
And there really ain't no feelin quite the same as love
That in the name of love I know
(I know)
Baby, when you feel it
(When you feel it)
You cant let go
In the name of love I know
(I know)
When you got to have it
(When you got to have it)
You cant say no
(Cant say no)
In the name of love I know
(I know)
Baby, when you feel it
(When you feel it)
You cant let go
(Cant let go)
In the name of love I know
(I know)
When you got to have it
(When you got to have it)

You cant say no
(Cant say no)
In the name of love I know
(I know)
Baby, when you feel it
(When you feel it)
You cant let go
(Cant let go)
In the name of love I know
(I know)
When you got to have it
(Oh)
You cant say no
In the name of love I know
