

# Face of an Angel

**Del Shannon**

I look to the stars,  
And what do I see?  
The face of an angel,  
Staring at me, Oh, Heavens above,  
Please send the one I love to me, I look to the wind,  
And there I see,  
The face of the angel,  
Staring at me, Oh, Heavens above,  
Please send the one I love to me,  
Tonight,  
I plead, Can't linger on, you see,  
I've waited so long to see,  
The one I've been praying for,  
Send her to my front door, And I look out my window,  
And there I see,  
The face of the angel,  
Staring at me, Oh, Heavens above,  
Please send the one I love to me,  
Tonight,  
I plead, Can't linger on, you see,  
I've waited so long to see,  
The one I've been praying for,  
Send her to my front door, I look to the Heavens,  
And there I see,  
The face of the angel,  
Staring at me, Oh, Heavens above,  
Please send the one I love to me,  
Tonight,  
I plead, Oooooooooooooooooohhh...
