Let Me Be Your Fantasy

Baby D

Let me be your fantasy
Let me be your fantasy
Let me be your fantasy

I'll take you up to the highest heights
Let's spread our wings and fly away
Surround you with love that's pure delight
Release your spirits, set you free

Come and feel my energy
Let's be as one in soul and mind
I'll fill your world with ecstasy
Touch all your dreams deep down inside

Let me be your fantasy
Let me be your fantasy
Let me be your fantasy
Let me be your fantasy

Let me be your fantasy
Let me touch your dreams
Just spread your wings and fly away

Come take a trip to my wonderland
Let's spread our wings and fly away
Oceans of love flow through your hands
See visions, colors everyday

Let me feel your warm embrace
Release the colors in your mind
I'll put a smile upon your face
I've got what it takes to make you mine

Let me be your fantasy
Let me be your fantasy, yeah, yeah
Let me be your fantasy
I'll take you higher, yeah, yeah
Let me be your fantasy

Underground is where

We wanna go moving
How's the crowd?

Let me be your fantasy
Let me be your fantasy
Let me be your fantasy
