

# True Love

## Ariana Grande

[Ariana]

On the first day of Christmas

When you gave me all my wishes, boy!

You showed me things

Come hold me please, and never let me go

On the second day of Christmas

Said you felt like something's missing

So you promised me that promise ring to keep 'til we get old, boy

On the third day of Christmas

We got all in our feelings

Said I love you and meant it

On the fourth we committed

Any time, he could get it

He's the real one I know it Look at all the things my true love gave to me

My true love!

My true love!

You are my true love

Look at all the things my true love gave to me

My true love!

My true love!

You are my true love

Ah ah ah ah ah ah...

(You are my true love) On the fifth day of christmas

You asked me what's on my wish list

And I told you all I wanted was for ever with my boo

After six days on your arms

I got that tattoo in my heart

'cause I'm your moonlight, you're my star, and nothing's shining more than you You completed the vision

Now I feel like I'm living

You're so one in a million

Ahhhh

I'm so glad we committed

Any time he could get it

He's the real one I know it
