

# One Small Favor

Nick Roes

It hasn't been long that I've known you,  
And I sure wouldn't try to own you.  
A girl like you has to be free.  
I understand, I've been around,  
You want no one to tie you down  
You have to be who you have to be.  
But would you do me one small favor  
And say that you'll be mine forever?

It hasn't been long since we first met.  
You say that you're not ready yet.  
I understand; I'll take it slow.  
A guy like me might cramp your style,  
So I'll just sit tight a while.  
There's just one thing I'd like to know:  
Would you do me one small favor  
And say that you'll be mine forever?

It hasn't been long that I've known you,  
And I sure wouldn't try to own you.  
A girl like you has to be free.  
I understand, I've been around,  
You want no one to tie you down  
You have to be who you have to be.  
But would you do me one small favor,  
Be mine forever?  
Would you do me one small favor,  
Be mine forever?
