

Remedy (feat. Ziya)

Ibranovski

You and I,
I was running from destiny,
 now I am back alive,
'cause you're my Remedy,
 unified,
your love is the rest of me,
 now I am back alive,
'cause you're my Remedy,
 a broken chart,
 can open a maze,
 was lost and blind
but now I'm chained,
 you made a time
by trying to taking me,
 away.
You changed my life,
 tonight,
 eeh-ohh,
I'm alive I'm alive,
 'cause you and I,
 tonight,
 eeh-ohh,
I'm alive, I'm alive.
You know my bass.
