Spiders

Illa J

Feels like spiders crawling on my skin
Maybe I'm trippin
Maybe I'm itchin
Feels like spiders crawling on my skin
Maybe I'm trippin
Maybe I'm itchinThese voices deep inside of me keep hauntin me at night
I can't sleep..nope..
I can't think...and my breath my stinks
Why's my hair pink
Why am I wearin a mink
Why are people starin at me
Are they starin at my bling
Is it cause I'm wearin a ring
And I care even though I act like I don't care what they think
Is it somethin crawlin on me....Feels like spiders crawling on my skin
Maybe I'm trippin
Maybe I'm itchin
Feels like spiders crawling on my skin
Maybe I'm trippin
Maybe I'm itchinThese voices deep inside of me keep hauntin me at night
I can't sleep..nope..
I can't think...and my breath my stinks
Whys my hair pink
Why am I wearin a mink
Why are people starin at me
Are they starin at my bling
Is it cause I'm wearin a ring
And I care even though I act like I don't care what they think
Is it somethin crawlin on me.... yeah..uhWhat the fuck they put into this medicine I'm hella sick
These edibles be crazy have me feelin so irrelevant
Like I'm not from this planet, can you find any evidence
While I preach and I teach in this booth like a reverend
How I beast on these beats can I be any better
Like a king..a president, a C-E-O, a legend
Get this green with my team light it up and touch heaven
and in a couple of seconds..uh..yeah..Feels like spiders crawling on my skin
Maybe I'm trippin
Maybe I'm itchin
Feels like spiders crawling on my skin

Maybe I'm trippin
Maybe I'm itchin
