Bitmonx

ohhh ha ha ha ohhhh ha ha ha
Undo
that means panties, leggings take that off of you
undo
girl get ready, let me take that off of you
ohh baby,
you know its about time
ohh baby
to make love to your mind
ohh baby
you had me waiting so long
ohh baby
tonight i can't let nothing go wrong
undo
that means panties, leggings take that off of you
undo
girl get ready, let me take that off of you
undo
that means panties, leggings take that off of you
undo
girl get ready, let me take that off of you
you get me so open baby
you just don't know
i just can't resist you baby
don't wanna let go
when i first kissed you

i knew that it was special
tonight what imma do to you
is too hot to put on camera
undo
that means panties, leggings take that off of you
undo
girl get ready, let me take that off of you
undo
that means panties, leggings take that off of you
undo
girl get ready, let me take that off of you
let me take it off of you

I'm going downtown baby
let me take it off of you baby
I'm going downtown baby
undo
that means panties, leggings that that off of you
undo
girl get ready, let me take that off of you
come here na na na come here
see you probably think I'm to young to be doing this but
there is a lot of things you don't know about me
the one thing you should know is that i want you
look at me
