

# Nuclear

## Forestep

This is where the summer ends  
In a flash of pure destruction, no one wins  
    Go nuclear, nuclear  
The violets in my eyelids goin' red  
    Sentimental geek  
    Shut up and go to sleep  
The calm, the beach and the remains  
Of the bathing suits and porches all in flames  
    Go nuclear, nuclear  
When I saw her and the Yankees lost to the braves  
    Sentimental geek  
    Sentimental geek  
    Sentimental geek  
    Shut up and go to sleep  
    Give me an answer  
    Give me an answer  
    Give me an answer  
    Give me an answer  
    Give me love  
    Give me love
