

Alfie

Olivia Newton-John

What's it all about, Alfie
Is it just for the moment we live
What's it all about when you sort it out, Alfie
Are we meant to take more then we give
Or are we meant to be kind and live only for the kind, Alfie Then I guess it is wise to be cruel
If love comes only to the strong, Alfie
What will you lend on an old golden rule as sure as I believe
There's a heaven above, Alfie I know there's something much more
Something even unbelievers can believe in
I believe in love, Alfie
Without true love, we just exist, Alfie Until you find the love you've missed, your nothing, Alfie
