

There's a New Moon over My Shoulder

[Jim Reeves](#)

There is a new moon over my shoulder
And an old love still in my heart
I remember now that I'm older
What you told me the day we had to part: You promised with the new moon
You'd be coming back to me
Many moons have passed,
Still I'm waiting patiently There is a new moon over my shoulder
And an old love still in my heart
Instrumental There is a new moon over my shoulder
And an old love still in my heart
Now I'm wishing I had been bolder,
Then perhaps we would'nt been so far apart
You promised you would write me,
But so far not a line
Still I wait, and make believe,
That someday you'll be mine There is a new moon over my shoulder
And an old love still in my heart...
