

# Remind You

Cheri Dennis

Boy I trust you and all  
But I been here before you.  
You remind me of pain,  
But I can't ignore you.

After I met you boy,  
I tried my best not to think of you.  
Such a silly game to play,  
To eventually just lose to you.

Can I get another chance to hold you tonight  
Dance on my left and things feel so right  
Hold you boy with all of my might  
Just don't let you slip away  
I poured my heart out to you  
From now to daylight  
So you would know hurting you was never my right  
I'm trying to see what's in the closet tonight  
So please except this as my plea:

I love you  
I love you  
I love you  
Hey Hey, so don't break my heart (verse 2X)

I sat and waited for my chance,  
To let you know just how I feel.  
I held it in for far too long.  
I couldn't tell if this was real.

I never thought I'd understand,  
How it feels to be hurt and to love again.  
I guess it's possible for me,  
That's why I let you in.

Can I get another chance to hold you tonight  
Dance on my left and things feel so right  
Hold you boy with all of my might  
And I won't let you slip away  
I poured my heart out to you

From now to daylight  
So you would know hurting you was never my right  
I'm trying to see what's in the closet tonight  
So please except this as my plea:

I love you  
I love you  
I love you  
Hey Hey, so don't break my heart (verse 2X)

Like stars in the sky  
You were light of my life  
That's why I love you  
Just don't break my heart

Without you by my side  
I was wasting my time  
But now I love you  
Just don't break my heart

I love you  
I love you  
I love you  
Hey Hey, so don't break my heart (verse 2X) Boy I trust you and all,
