

# So Blue

## Majical Cloudz

Blue yesterday  
I wasn't here for you  
Go on now in the way you do  
Try not to be so blue  
so blue  
so blue  
blue moon it is strange  
How you appear whenever you do  
Go on now you will say you already do  
But try not to be so blue  
so blue  
so blue  
blue moon in the rain I wanted to say  
I need you but I felt so in the way of you  
I'll try not to be so blue  
I'll try not to be so blue  
I'll try not to be so blue  
so blue  
so blue  
blue  
blue
