

You Found Me

Matt Giraud

You give your hand to me
And then you say hello
And I can hardly speak
My heart is beating so
And anyone can tell
You think you know me well
But you don't know me
No you don't know who I'm
Dreams of you at night
And longs to kiss your lips
And longs to hold you tight
Oh I am just a friend that's all I've ever been
'cause you don't know me
I never knew the art of making love
Though my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too
You give your hand to me
And then you say goodbye
I'll watch you walk away
Beside that lucky guy
Oh you will
never ever know
The one who loves you so
'cause you don't know me
You don't know me
Play it
