My Goddess

Pandora

I was knee deep in a sick love
I was cross eyed under your drug
Schizo savior My messiah
Fatal worship you inspire

Gone, I don't believe in you now
I've seen too much I don't believe in you now
My goddess
You were counting on a free fall

You laid your bet I would loose all
Chalk up one less crucifixion
I kick that sick old addiction
Damn, I don't believe in you now

I've seen too much I don't believe in you now
My goddess
Ow you see what ya get when ya loose yourself
What ya get when ya don't know who you are

When you don't know who you are
My goddess
Gone, I don't believe in you now
I've seen too much I don't believe in you now

My goddess
I don't believe in you I don't believe in you
I don't believe in you My goddess
I don't believe in you I don't believe in you

I don't believe in you My goddess
