

# Eyes (OST Heroes)

## Rogue Wave

Missed the last train home  
Birds pass by to tell me that I'm not alone  
Over pushing myself to finish this part,  
I can handle a lot,  
But one thing I'm missing is in your eyes[Repeat: x6]  
In your eyes  
Have you seen this film?  
It reminds me of walking through the avenues  
Washing my hands of attachments yeah,  
Land on the ground,  
One thing I'm missing, is in your eyes[Repeat: x6]  
In your eyes[Repeat: x9]  
In your eyes
