

# Two Doors Down

## Boot Scooters

(Dolly Parton)

Two doors down  
They're laughing and drinkin', and having a party

Two doors down  
They're not aware that I'm around  
Cause here I am  
Crying my heart out, feelin' sorry while  
They're having a party two doors down

I think I'll dry these useless tears  
And get myself together  
I think I'll wonder down the hall  
And have a look around  
'Cause I can't stay inside  
This lonely room and cry forever  
I think I really rather join 'em

Two door down, yeah  
Two doors down  
They're laughing and drinkin', and having a party

Two doors down  
They're not aware that I'm around  
'Cause here I am  
No longer cryin' an' feelin' sorry  
We're having a party just two doors down  
I can't believe I'm standin' here  
Dry-eyed, all smiles and talkin'  
Making conversation with the new love I have found  
I ask him if he's like to be alone and we start walkin'

Down the hall to my place waitin' two doors down, yeah

Two doors down  
They're laughing and drinkin', and having a party

Two doors down  
They're not aware that I'm around  
'Cause here I am  
Feelin' everything but sorry  
We're having our own party two doors down

Oh, oh, oh, oh  
Two doors down  
Oh, oh, oh, oh

Two doors down  
Oh, oh, oh, oh  
Two doors down  
Oh, oh, oh, oh  
Two doors down, oh  
Two doors down  
They're laughing and drinkin', and having a party  
Two doors down  
They're not aware that I'm around  
'Cause here we am  
Feelin' everything but sorry  
We're havin' our own party  
Two doors down, yeah  
Two doors down  
They're laughing and drinkin', and having a party  
Two doors down  
They're not aware that I'm around
