Placebo Effect

Siouxsie and the Banshees

You dip your hands into my flesh
And say you won't reveal a scar
I must have faith in this procedure
It's a miracle-It's a wonderA thousand hidden needles
In a thousand covered nerves
Stick pins in my receptacles
Look to your Voodoo doll-your mojoStaying alive at five
For you to cure my ailments
Another soul is saved
With your bogus medicationsWhat colour shall we have today?
Depends on how you feel I say
Consult your research on the media
See blue will calm my hysteria
