

Roman Circus

Richard Barone

There's a Roman circus
There's a Roman circus
There's a Roman circus
In my mind, in my mindThere's a Roman circus
There's a Roman circus
There's a Roman circus
In my mind, in my mindI didn't mean to hurt you
I didn't mean to hurt you
But something means to hurt you
In my mind, in my mindOnce a spark was flashing
Once a spark of passion
And once the sun was crashing
In my mind, in my mind
