Crazy

Lil Wyte

Sometimes I feel like I'm flyin'
Sometimes I feel like I'm dyin'
Maybe the world is against me
Maybe the world thinks I'm crazySometimes I feel like I'm losing
Sometimes I feel like I'm losing
Maybe the world is against meMaybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)Maybe the world is aMaybe I can feel it
'cause I know I'm high
Maybe I can ride 'cause I'm born to die
Maybe I can jump 'cause I know I'm high
Maybe I can kill 'cause it's in my eyeI don't know why I'm seein' things
I don't know why I'm bein' insane
I wish I could wake up from this dream
But until then I feel this diseaseSometimes I feel like I'm flyin'
Sometimes I feel like I'm dyin'
Maybe the world is against me
Maybe the world thinks I'm crazySometimes I feel like I'm losing
Sometimes I feel like I'm losing
Maybe the world is against meMaybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)Maybe the world is aNow that I have my
chance to rearrange it
Crazy is the word that I use to explain it
Find out what gon' happen in the end
When the ball leave the court and the paper leave the penIt's a fucked up, shit that we walk through
On a daily basis some folks you can't even talk to
So I stomp through all of my obstacles with pleasure
The top two's me and I so who's better?Take me to a place everyday Sunday weather

Put me in the sand dro in my hand forever
Reality strikes, 'cause yall been kickin' the bite
I feel like I been gone a month but I ain't left out ya sightI'm havin' visions of dyin' but God can control so break
The only thing they truly bring to life is the shit you take
I might be labeled as crazy I'd rather be dead than brave
The recognition of my mission is to take it in hateMaybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)
Maybe the world is a lie
(I'm goin' crazy, I'm goin' crazy, I'm goin' crazy, I'm goin' crazy)Maybe the world is a
