

# Silent Screams

A. C. T

Look at me I'm chasing after dreams left in the storm  
What I am is all that really matters now  
That lies are gone, the lies are gone  
All the lies are gone, the lies are gone Tempting fate and losing friends along the way I loved  
No regrets I'm standing with a needle in my heart  
Needle in my heart, needle in my heart  
Needle in my heart You'll never know my life means everything  
Still I scream because there's nothing left to do until the end  
The world goes on with all that I've become  
And still I scream inside for all the pain I've taken hasn't changed Nothing's changed at all, the truth is like a  
chain  
Heaven's calling me the place that I belong  
Killing pain, killing pain Close my eyes a million faces get inside my mind  
Take a breath and fill my troubled soul with all mankind  
Killing pain, killing pain  
I'm killing pain, killing pain You'll never know my life means everything  
Still I scream because there's nothing left to do until the end  
The world goes on with all that I've become  
And still I scream inside for all the pain I've taken hasn't changed The man in black I'm coming back to spew  
my evil hate  
My crown of horns and bloody thorns, I'll dig up what you fear  
I'm the shape that's in your room that watches over you  
I am the needle in your heart, your disillusioned God I am God, I am fate  
I am all the things you make, yeah, hate  
I am black, I am white  
I'm the blood upon the knife, yeah, hate Since time began I made a vow  
To drag you underground  
To steal your soul of purity  
And watch you waste away I am pure, I am right  
I'm the God that makes you fight, yeah, hate  
I am life, I am death  
I will steal your final breath, yeah, hate I prey upon your broken dreams  
Your weakness gives me strength  
I'm laughing at your silent screams  
I'll crush you with my hate, yeah You take it all and face the fear that's here  
Until the silent screams leaves you with no choice to carry on  
You'll never fall, when all is said and done  
The only scream is here, the journey never ends it's just begun The lies that never learn  
The needle's in my heart

And things will never change  
So every time I scream I'm killing pain
