

# I'm The Man Who Loves You

Wilco

All I can see is black and white and white and pink with blades of blue  
That lay between the words I think on a page I was meaning to send  
You, I couldn't tell if it bring my heart the way I wanted  
When I started writing this letter to you  
And if I could you know I would  
Just hold your hand and you'd understand  
I'm the man who loves you  
All I can be is a busy sea of spinning wheels and hands that feel  
For stones to throw and feet that run but they come back home  
And make no difference ever known  
Make no difference ever known to me  
And if I could you know I would  
Just hold your hand and you'd understand  
I'm the man who loves you  
All I can see is black and white and white and pink with blades of blue  
That lay between the words I think on a page I was meaning to send  
You, I couldn't tell if it bring my heart the way I wanted  
When I started writing this letter to you  
If I could you know I would  
Just hold your hand and you'd understand  
If I could you know I would  
Just hold your hand and you'd understand  
If I could you know I would  
Just hold your hand and you'd understand  
I'm the man who loves you  
I'm the man who loves you  
I'm the man who loves you  
I'm the man who loves you
