

Workhorse

Polecat

Somewhere sunshine burns
A dark but common horse
When he fell by the wayside
No one seemed to notice him
'Cause you're no good to us

Lost all your youth
And all of your usefulness
And you know that

No good to us

Lost all that you could

To a no, no, no, no

No good to us

Lost all your lost all your youthfulness

And left with a precious little good

Good to us lost all that you could

To a no, no, no, no?

Bring me the workhorse

Bring me the no good workhorse

'Cause you're no good to us

Lost all your youth and all of your usefulness

And you know that

No good to us

Lost all that you could

To a no, no, no, no?

No good to us

Lost all you youth all of your usefulness

And who told you

No good to us

Lost all that you could as a workhorse

You're no good to us

Lost all your youth all of your usefulness

And who told you

No good as a workhorse
