

# Resurrection (T.L.A. Big Rock Mix)

## Fear Factory

Consumed with memories  
That preceded today  
Given a chance to bereave  
Life is slipping awaySuffered through tragedy  
Of my slow decay  
Deceptive tendencies  
Dragged my soul awayAll that I know  
There was no God for me  
Force that shatters all  
Absence of mortalityRevive all my fears  
Revive wasted tears  
Revive void within  
Revive once again  
Again, again, again, againForsaken by destiny  
Forsaken by my own mind  
I must remove my skin  
To see belief in your eyesAll that I know  
There was no God for me  
Force that shatters all  
Absence of humanityRevive all my fears  
Revive wasted tears  
Revive void within  
Revive once againRevive all my fears  
Revive wasted tears  
Revive void within  
Revive once again  
Again, again, againReach for the sky  
Touch the sky  
Revive a hope  
For mankind
