

# The Awakening

## Narnia

The Night Was Dark And Cold As Ice  
I Met That Stranger From Far Beyond  
My Dreams  
Staring Into Those Eyes I Was Blinded By  
A Light  
Paralysed By The Power I Fell Down On  
My KneesIt Was Never Easy To See  
But Now It's So Clear As Anything Can Be  
I Felt Such Warmth In My Deserted Soul  
Oh Holy Spirit, Come To MeI Stood There Waiting For The Dawn  
My Tears Were Flowing And My Sins  
Faded Away  
The One Who Has The Power Is The One Who  
Breaks The Bonds  
Let The Only Son Of God Cleanse  
Your Soul
