

# Daydream

## Stolen Apple

I turned the road  
in the small town  
continuous noise  
not leaving down

A fountain leaks  
and tried to squeeze  
another more  
that stopped to pees

Was happy  
I dream  
Was happy  
I dream

So I went back  
and leaks a bit  
I gazed at them  
and then I sit

I put a plaid on me  
and falled asleep  
to dream the founts I see  
had the closed lip

Was happy  
I dream  
Was happy  
I dream
