

Stupid Girl (My Life Is Long Remix)

Cold

Wanna love ya, wanna bug ya
Wanna squeeze ya, stupid girl
Wanna touch ya, wanna take ya
Wanna shut ya, stupid girl I can't take this
Born to break this She's going away, she's going away
What's wrong with my life today?
She's going away, she's going away
What's wrong with my life today? Stupid girl
Stupid girl I'm a loner, I'm a loser
I'm a winner in my mind
I'm a bad one, I'm a good one
I'm a sick one with a smile I can't take this
Born to break this She's going away, she's going away
What's wrong with my life today?
She's going away, she's going away
What's wrong with my life today?
What's wrong with my life today?
She's going away, she's going away
What's wrong with my life today? Stupid girl
Stupid girl
Stupid girl
Stupid girl She's going away, she's going away
What's wrong with my life today?
She's going away, she's going away
What's wrong with my life today?
What's wrong with my life today?
She's going away, she's going away
What's wrong with my life today? Stupid girl
Stupid girl
Stupid girl
Stupid girl
