Lovehunter

Winterborn

I was alone, I needed love
In the night, I got one thing on my mind
Can't help myself with this feeling
'Cause baby, you're the one who feed my hunger tonight, oh yeah
Want you now, now or never
I just can't wait no longer, to feel your body tonight, oh tonightJust give yourself into my arms
I'll rock your worldLovehunter
Stalking the prey
It's not the kill, it's the thrill of the chase
Lovehunter
Ready to play
Takes you to the higher placeI can't wait another day
Baby, stay, and let me prove my love to you
Oh, my body's shaking, my heart is aching
I'll take you high, gonna make you touch the sky, oh no
Scream and shout, oh baby
'Cause I'm locked and loaded, ready to make you burn
I'm ready to make you burnJust give yourself into my arms
I'll rock your worldLovehunter
Stalking the prey
It's not the kill, it's the thrill of the chase
Lovehunter
Ready to play
Takes you to the higher placeJust give yourself into my arms
I'll rock your worldLovehunter
Stalking the prey
It's not the kill, it's the thrill of the chase
Lovehunter
Ready to strike
Oh, takes you to the higher placeLovehunter
It's not the kill, it's the thrill of the chase
Lovehunter
Takes you to the higher place
