Dandy

The Kinx

Dandy, Dandy
Where you gonna go now?
Who you gonna run to?All your little life
You're chasin' all the girls
They can't resist your smile
Uh-hmm, they long forDandy, Dandy
Chattin' up the ladies
Ticklin' their fancy
Pourin' out your charmsTo meet your own demands
And you turn it off at will
Huh-oh, they long forDandy, Dandy
Knockin' on the back door
Climbin' through the window
Hubby's gone awayAnd while the cat's away
The mice are gonna play
Uh-hmm, you low-downDandy, Dandy, DandyDandy, you know you're moving much too fast
And Dandy, you know you can't escape the past
Look around you and see the people settle downAnd when you're old and grey
You will remember what they said
That two girls are too many
Three's a crowd and four you're deadOh, Dandy, Dandy
When you gonna give up?
Are you feelin' old now?
You always will be free
And you need no sympathyA bachelor you will stay
And Dandy you're all right
You're all right
You're all right
