

# Groan Man, Don't Cry

[Zammuto](#)

Grown man says, I don't have to walk no more, late  
Tear out all his priviliges, grown man wouldn't knowIt's all good it's alright, grass is solved, but it's revolting  
To watch you complaining at the lakeThe smallest little violin stuck in your eye makes you cry  
riddles made you fakeGroan man, don't cry  
Groan man, don't cryWhen you're on your own, leave the past behind  
When you walk along, relax unwind.Justice says, I don't have to hold my head
