

Hearts Breaking Even

Bon Jovi

It's been cold, cold, cold, cold cold night tonight
I can't get you off of my mind
God knows I've tried
Did I throw away the best part of my life? When I cut you off, I cut myself with the same damn knife
Hide my tears in the pourin' rain
Had my share of hurt and pain
Don't say my name, run away, 'cause it's all in vain My hearts breakin' even, now there's no use we even try
Hey I cried, yeah I lied, hell I almost died
We got our reasons
Let's just fold the cards and say goodbye
It's all right just two hearts breakin' even tonight It's been a long, long, long, long, long time
Since I've had your love here in my hands
We didn't understand it, we couldn't understand it
But nothing's fair in love and hate You lay it all down and walk away, before it's too late
We danced all night as the music played
The sheets got tangled in the mess we made
There in the stains, we remain, no one left to blame My hearts breakin' even, now there's no use we even try
Hey I cried, yeah I lied, hell I almost died
We got our reasons
Let's just fold the cards and say goodbye
It's all right just two hearts breakin' even tonight Go on, get on with your life, yeah, and I get on with mine
Broken hearts can't call the cops, yeah, it's the perfect crime
Twistin' and turnin' the night keeps me yearnin', I'm burnin' alive
I'm payin' the price again but I'll see the light again My hearts breakin' even, now there's no use we even try
Hey I cried, yeah I lied, hell I almost died
We got our reasons
Let's just fold the cards and say goodbye
It's all right just two hearts breakin' even tonight
Yeah, yeah, yeah Oh, got of, oh got the door, shake it on, kill it anymore
That's all right just two hearts breakin' even tonight
Love life like we used to do
Hell now I'm gonna be better than you
My hearts breakin' even, now there's no use we even try
