

# Wisdom Lost

## O.L.D.

Where are my dentures...  
I can't find my dentures...  
Where are my dentures...  
I really need my dentures...  
Where are my dentures...  
What the fuck are dentures?  
Where are my dentures...  
I can't find my dentures...I can't remember anything!!!Oh, when I was but a lad  
I was as sharp as a tack  
But now I'm old and I can't seem  
To remember where I put my  
Things... why me?  
I mean - I'm supposed to be wise...  
I'm old, I'm supposed to be wiseNow, what was I looking for?  
Oh yeah! My bowling ball  
Well, what do you know  
It's right here - you see  
I'm not senile  
I found my bowling ball  
I FOUND MY BOWLING BALL!!!
