

# Elvis Should Play Ska

## Graduate

Catch me if you can  
I won't record no backhander  
Ask me who I am  
Tell me you're the part commander

Elvis should play ska  
Elvis should play ska

Take it as it comes  
Doesn't matter what the song says  
Let them have their fun  
Don't fight them with your own applauses

Elvis should play ska  
Elvis should play ska

Catch me if you can  
Don't you know just what your aim is  
For every junior band  
I will ask you whose your name is

Elvis should play ska  
Elvis should play ska

So go and look for clues  
With the help of your dead tattoos  
They don't want your issues  
Our love is their prime objective

Elvis should play ska  
Elvis should play ska
