# I'll Never Say Goodbye

## Halfway Deserted

You've always been so special to me
But I can't put my finger on exactly what I mean by that
You make me feel good and you make me smile
If that's not special then I don't know what is

Maybe it's your kiss
La da da da da
I will hold on to you forever
I'll never say goodbye

Goodbye
I'll never say goodbye
No, I'll never say

Do you think that I am crazy when I say
"I love you baby"
Well I know it's hard
I know, I know

And I'll never know what changed me
But I think I have a good idea..

Maybe it's your kiss
La da da da da
I will hold on to you forever
I'll never say goodbye

Goodbye
I'll never say goodbye
No, I'll never say
