

It Was You (Featuring So Plush)

[Ashley Ballard](#)

When I think
of what I've been through
I can see
that you've always been there for me
to tell the truth
don't know what I'd do
without you
Half of my dreams would not come true You are the one
that I have hoped for
Now my life
means so much more
Now we can be
together forever
Forever just you and me
be here for you
you here for me It was you
who showed me I got a friend in you
I always knew
that you'd be right here for me
and it was you
who stuck with me
when the skies were blue
and it was you
who stood by my side
It was you Since the day
you came in my life
I knew then
that you'd be someone by my side
Then you proved
you're a friend to me
Within my heart
wherever, you will always be You are the one
that i have hoped for
all my life
means so much more
now we can be
together forever
just you and me
there for each other It was you

who showed me I got a friend in you

I always knew

that you'd be right here for me

and it was you

who stuck with me

when the skies were blue

and it was you

who stood by my side

It was youIt was you

who showed me I got a friend in you

I always knew

that you'd be right here for me

and it was you

who stuck with me

when the skies were blue

and it was you

who stood by my side

It was youIt was you

who was always right by my side

when I just can't do it

you helped me through it

we're friends forever

like best friends should beYou'll always be (Darkchild, Ashley Ballard)
