Devastated

Trillbass

D-d-devastated, d-d-devastated
D-d-devastated, d-d-devastated
D-d-devastated, d-d-devastated
D-d-devastated, d-d-devastated
D-d-devastated, d-d-devastated
D-d-devastated, d-d-devastatedWhen you went away, what is it you wanted to say, oh yea?
When you said to me there's something I should know
But you couldn't tell me right now
Then your plane took off told me I'd have to wait, oh yea
Hello, hello you told me that you'd call when you landed at the airport
But I cannot sleep till you tell me what's wrong
Put me out of this misery
I don't know what it is you're gonna wanna say to me
Will I be devastated?All my hopes run dry
'Cause tonight I'm devastated
You're my whole damn life
And now I, I'm devastatedD-d-devastated, d-d-devastated
D-d-devastated, d-d-devastatedWhen I left that night I really didn't wanna fight, no, no
Turning off my phone, I didn't wanna argue, 'cause you don't trust me
Then I had to go, spinning all around the world, oh yea
When I go on tour a million girls out there on the dance floor
Every girl I see is in love with a DJ and it gets out of control
Girl, you know what it is, you know you don't trust me
So now you sing, I'm devastatedAll my hopes run dry
'Cause tonight I'm devastated
You're my whole damn life
And now I, I'm devastatedD-d-devastated, d-d-devastated
D-d-devastated, d-d-devastatedAnd when I'm in the club dancing with girls you don't know
They pouring drinks and mix it up like its Serato
And all I talk about is you but you don't hear me though
How do I get you to believe?Devastated
All my hopes run dry
'Cause tonight I'm devastated
You're my whole damn life
And now I, I'm devastatedDevastated
All my hopes run dry
'Cause tonight I'm devastated
You're my whole damn life
And now I, I'm devastatedD-d-devastated, d-d-devastated

D-d-devastated, d-d-devastated
D-d-devastated, d-d-devastated
D-d-devastated, d-d-devastated
